SUMMARY

Hi, I am Muhammad Zeeshan Haider, a dedicated BSCS student at Arid University of Information Technology (UIIT) with a CGPA of 3.2. As a front-end developer, I have a solid foundation in HTML, CSS, JavaScript, React, and ASP.NET. Although I am a fresher, I have actively gained practical experience through hands-on projects and learning. My technical skills are complemented by my enthusiasm for web development and my commitment to staying updated with industry trends. I am now seeking a MERN stack developer internship to further develop my abilities and contribute to innovative projects in a collaborative and growth-oriented environment.

PROGRAMMING LANGUAGES / LIBRARIES / FRAMEWORKS

HTML	CSS	Javascript
React	Tailwind	Node
Python	MongoDB	Bootstrap
